

L&G Model Portfolio Service (MPS) Target Market Assessment - L&G Blended Model Portfolios

April 2025

Contact us

For further information about L&G, please visit [lgim.com](https://www.lgim.com) or contact your usual L&G representative

Key Risks

The value of an investment and any income taken from it is not guaranteed and can go down as well as up, and the investor may get back less than the original amount invested.

Assumptions, opinions, and estimates are provided for illustrative purposes only. There is no guarantee that any forecasts made will come to pass.

Important information

The information in this document is for professional investors and their advisers only. This document is for information purposes only and we are not soliciting any action based on it. The information in this document is not an offer or recommendation to buy or sell securities or pursue a particular investment strategy and it does not constitute investment, legal or tax advice. Any investment decisions taken by you should be based on your own analysis and judgment (and/or that of your professional advisers) and not in reliance on us or the Information.

This document does not explain all of the risks involved in investing. No decision to invest should be made without first reviewing the Target Market Assessment, which can be obtained from the Client Relationship Manager.

This document has been prepared by Legal & General Investment Management Limited and/or its affiliates ('L&G', 'we' or 'us'). The information in this document is the property and/or confidential information of Legal & General and may not be reproduced in whole or in part or distributed or disclosed by you to any other person without the prior written consent of L&G. Not for distribution to any person resident in any jurisdiction where such distribution would be contrary to local law or regulation.

No party shall have any right of action against L&G in relation to the accuracy or completeness of the information in this document. The information and views expressed in this document are believed to be accurate and complete as at the date of publication, but they should not be relied upon and may be subject to change without notice. We are under no obligation to update or amend the information in this document. Where this document contains third party data, we cannot guarantee the accuracy, completeness or reliability of such data and we accept no responsibility or liability whatsoever in respect of such data.
