Key Risks

The value of investments and the income from them can go down as well as up and you may not get back the amount invested. Past performance is not a guide to future performance.

As at 31 December 2025 and is subject to change.

¹ The information shown on this document is a representation of £100,000 investment – if the investment was £50,000, for example, the monetary values would be halved but the number of holdings and countries remain the same. All features described in this document are those current at the time of publication and may be changed in the future.

² Nothing in this document should be construed as advice and it is therefore not a recommendation to buy or sell investments. If in doubt about the suitability of this product, you should seek professional advice. No investment decisions should be made without first reviewing the key investor information document of the Fund (“KIID”) which can be obtained from www.legalandgeneral.com. This document is only directed at investors resident in jurisdictions where this fund is registered for sale. It is not an offer or invitation to persons outside of those jurisdictions. We reserve the right to reject any applications from outside of such jurisdictions.

³ For illustrative purposes only. Reference to a particular security is on a historic basis and does not mean that the security is currently held or will be held within an LGIM portfolio.

The above information does not constitute a recommendation to buy or sell any security. Investments dominated in a currency other than Sterling may cause the returns to increase or decrease as a result of currency fluctuation.

Important information

The information in this document is for professional investors and their advisers only. This document is for information purposes only and we are not soliciting any action based on it. The information in this document is not an offer or recommendation to buy or sell securities or pursue a particular investment strategy and it does not constitute investment, legal or tax advice. Any investment decisions taken by you should be based on your own analysis and judgment (and/or that of your professional advisers) and not in reliance on us or the Information.

This document does not explain all of the risks involved in investing in the fund or investment strategy. No decision to invest in the fund or investment strategy should be made without first reviewing the prospectus, key investor information document and latest report and accounts for the fund, which can be obtained from <https://fundcentres.landg.com/>.
