Key Risks

The value of an investment and any income taken from it is not guaranteed and can go down as well as up, and the investor may get back less than the original amount invested.

Important Information

The views expressed in this document are those of Legal & General Investment Management Limited and/or its affiliates ('L&G', 'we' or 'us') as at the date of publication. This document is for information purposes only and we are not soliciting any action based on it. The information above discusses general economic, market or political issues and/or industry or sector trends. It does not constitute research or investment, legal or tax advice. It is not an offer or recommendation or advertisement to buy or sell securities or pursue a particular investment strategy. Past performance should not be taken as an indication or guarantee of future performance and no representation, express or implied, is made regarding future performance.

No party shall have any right of action against L&G in relation to the accuracy or completeness of the information contained in this document. The information is believed to be correct as at the date of publication, but no assurance can be given that this document is complete or accurate in the light of information that may become available after its publication. We are under no obligation to update or amend the information in this document. Where this document contains third party information, the accuracy and completeness of such information cannot be guaranteed and we accept no responsibility or liability in respect of such information.

This document may not be reproduced in whole or in part or distributed to third parties without our prior written permission. Not for distribution to any person resident in any jurisdiction where such distribution would be contrary to local law or regulation.

L&G Global

Unless otherwise stated, references herein to "L&G", "we" and "us" are meant to capture the global conglomerate that includes:

European Economic Area: LGIM Managers (Europe) Limited, authorised and regulated by the Central Bank of Ireland as a UCITS management company (pursuant to European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations, 2011 (as amended) and as an alternative investment fund manager (pursuant to the European Union (Alternative Investment Fund Managers) Regulations 2013 (as amended)).

Japan: Legal & General Investment Management Japan KK (a Japan FSA registered investment management company).

Hong Kong: issued by Legal & General Investment Management Asia Limited which is licensed by the Securities and Futures Commission.
